I take every care to ensure that the description and specification of my products are correct at the time of publishing. Furthermore, while the colour reproduction of the products is a close representation, I cannot accept any responsibility for any variation in colour caused by the browser software or computer system used to view the products.

However, errors do sometimes occur and if I discover an error in the price or description of a product you have ordered, I may cancel your order and contact you to ask whether you wish to continue with your order at the correct price or cancel it.

Your right to cancel

Under the Consumer Contracts Regulations 2013, you have 14 days after the day you (or someone you nominate) receives the products to change your mind, unless your products are split into several deliveries over different days. In this case you have until 14 days after the day you (or someone you nominate) receive(s) the last delivery to change your mind about the products.

If you wish to cancel your order it is your responsibility to inform me of this within the cancellation period.

To meet the cancellation deadline, you must notify me in writing, by email or post, that you wish to exercise your right to cancel before the cancellation period has expired. You can do this by emailing or writing to me at the address below. Please include full product details and the order number when cancelling. It is your responsibility to return the goods back to me and you are also responsible for the cost associated with returning the goods.

Where applicable, please keep a copy of your cancellation notification for your own records.

If the products have already been dispatched to you or you have already received them, you must return them to me without undue delay and in any event not later than 14 days from the day on which you communicate your cancellation of your order to me. **You will have to bear the direct cost of returning the products to me.**

If you are exercising your right to change your mind and cancel the contract, **you will receive a full refund of the price you paid for the products and any applicable delivery charges to the credit or debit card, or other payment method you used to pay.**

Terms and Conditions

I will process the refund without delay and, in any event, not later than (a) 14 days after the day I receive back from you any products supplied; or (b) if there were no products supplied, 14 days after the day on which I receive your cancellation notification. I may withhold the refund until I have received the products back, or you have supplied evidence of having returned the products to me (whichever is the earliest).

If you are exercising your right to change your mind:

I may reduce your refund of the price (excluding delivery costs) to reflect any reduction in the value of the goods, if this has been caused by your handling them in a way which would not be permitted in a shop.

If I refund you the price paid before I am able to inspect the goods and later discover you have handled them in an unacceptable way, you must pay me the appropriate amount.

Substitutions and Exchanges

Where an item is out of stock I will not offer a substitute item.

I regret that unless otherwise stated, exchanges are not currently offered. Please contact me for further information.
